Dear Parents and Guardians,

First and foremost, I hope you are staying healthy and safe.

Due to the COVID-19 pandemic, District 62 administration has made the difficult decision to not hold SPARK Summer Literacy Camp at the Early Learning Center this summer. We know how much the children look forward to this. Again, this was an extremely difficult decision, but we can't compromise on the safety and wellbeing of our staff and students we work so hard to support.

The Early Learning Center will mail out Summertime Learning Backpacks for every ELC preschool-aged child with summer academic activities including a parent guide. They will be arriving sometime in late May. Please keep an eye out for it.

Please continue to shelter in place. We miss all of you and hope this will all be over soon and we can be together again!

Regards,

Margie Beniaris
Director
District 62 Early Learning Center
